## olly Peers At Waveland

Easter more dewned cool, clear and blessedly DRY, Gusty breezes swept away any vagrant clouds leaving only bright sunshine the robin's egg blue skies to shine down upon the persote of early worshippers, egg hunters and barbecuers.

One of the family groups drawing much attention were the Ferd Koenigs. . . the girls, Debbis, Carol and Kelly wore identical lavener frocks with white organdy frilly aprons and white hats, bags and thres. . . Bunny wore a black faille suit with matching chapeau and mustn't forget Ferd. . His suit was blue with a marcon tiel The Jimmy DeBlancs always attract admiring glances. Bessie was lovely in her new suit, the girls all looked like dolls, as did the Lynch Laughters. The Edouard Correres, jr., were another attractive family group, Kik was striking in a black ensemble. Olga Mestayer chose a tink flowered hat to compliment her black suit, Elaine Davis wore a most becoming black and white outfit, Elaine, H, and little Dor! wore pastels with matching hats, Ruth and Mart Ballatin artended 11:30 a.m. mass in the Bay. Ruth's grey sheath was accented with a white organdy and white accessories, Margaret Zimmerman wore lavender jersey with black hat, etc., Mabel Brown wore white with a small brown print near the neckline and hem, Norma Sonier wore a black suit and test, Mrs. John Hayvard chose mavy, Mrs. Ruth Ketchum's springlike green print was lovely, but we must comment that of all the Rester bonnets we viewed (and we couldn't see them all), Winnie Holm's spectecular flowered number was the most fabuluous. couldn't see her dress as she vore a blue fur trimmed coat. . . Jack wore a dark suit and matching tie... we keep forgetting the masculine sex. . . but next year we'll have a few lines devoted solely to masculine sartorial elegance.

### Anniversary Notes

Congratulations to Kary and A. C. Goodwin who will celebrate 25 years of marital bliss next Wednesday, and to Mi. and Mrs. J. S. Datley of 313 Carroll Ave. in the Bay. Approximately 100 friends dropped in last Saturday between 3 and 5 p.m. to wish them many happy returns on their 50th wedding anniversary.

Happy birthday wishes go to Mrs. John Munch who celebrated on Tuesday, and to little Miss Felice Mollere who was an April fool baby. . . among her gifts were a doll almost as large as she, and a real live bunny rabbit, presented to her, of course, by her father Brewster. Sam Plazza, son of Shirley and C. J. was another April fool cele-

brant - be was five years old. More congratulations are due "Teena" and Lambert Bordages. their grandson Peter V. Young, III, who is an honor student at Lake View School in New Orleans, had one of his drawings chosen to be displayed in an art exhibit in the Municipal Auditorium for the second year in a row. Needless to say the grandparents are exceedingly proud of their budding Rembrands.

### Accomplishments

As Lent has ended we must examine the outcome of the sacrifices of some of those with sufficient will power to give up cigarettes, candy and the like. . Mrs. Alfred Zeigler reports that she has lost her cough. . .but almost lost her sanity also as she denied herself even ne cigarette during the 40 days. . . Henry Develle gained several much needed pounds, John Auderer, who gives up cigarettes in addition to other pleasures, lest 25 pounds. . Ruth Ballatin shed 12, as did Sam (better known as Big Sam) Blanchard. Rox Saux and Jimmy Lagasse are also displaying sylphlike torsos these days. Welcome home to Dr. Adrien (Buddy) Hava who has again taken up residence on Nicholson Ave. . . he'll commute to his dental office

in Gretna, La. Get well wishes to to Robert Brown who is suffering from hepatitis, to Libby Ferry who suffered a skinned probiscus when she turned her ankle and took a tumble recently, to Fred W. Evelyn who is hospitalized due to a recent heart attack, to George Langenstein who with Mrs. Langenstein spent several days at his home on Waveland, be too is recuperating from a heart attack, to Betty Phillips. . . the's been troubled with arthritis. . . to Bob Geiger. . . he fractured several ribs in a fall, but reported cheerfully that he didn't damage the antique he was carrying at the time; and to Dorothy Weathers who is slated for surgery on April 21.

Good news - Michael Ruppell has returned home from the hospital and Mrs. Ruppell says that he's improving daily.

The travelling Gaudets, Polly and Bill are at home once more. . . Rolly returned from a visit to St. Petersburg, Fla., Bill from Columia, S. A. Enjoying a real dream vacation and getting paid for it too) are Carmen and Clifton (Toby) Plazza - they re on a 2 week cruise from New Orleans to Chicago on the Father of Waters in a 75 foot craft to its home port for the owner. Brother Emil is eccompanying

the Piazzas on their journey.

Mr. and Mrs. Roland Rossignol were Monday guests of their daughter, Beulah and son-in-law, Sidney Bourgeois.

### Easter Visitors

People hear-a-bours celebrated the Easter holidays in various and sundry fashions. . . Mrs. John Munch entertained members of the St. Clare's choir at brunch following 8 a.m. mass. Seated around the beautifully decorated table were Mrs. E. N. Canady, a guest, and chair members Mrs. Terry Asher, Cecil Williams, Misses Grace Ann and Geraldine Bourgeois and the Munchs.

The Paul Maloneys entertained at a fabulous luau Saturday night complete with pineapple decorated tables, lanterns and authentic polynesian dishes prepared by a Chinese chel. The Kearney Roberts pent part of their vacation sailing about in their boat.

The Fred Listers hosted on Easter egg hum for friends and re-

latives. . . Professor and Mrs. Lee Dunlap enjoyed their newly ocquired home on Waveland Ave., the Charles Raus velcomed a host of friends. Carmen, as did the Marcus Eichoras, Dan Kirschenheuter barbacued for a large group Saturday night, the Larry Sources emertained Larry's mother over the weekend, Jame and Brewster Mollere and Bootsie Wolfe lead Bootsie's two sisters and the children at a picuic in the park of Poss Christica and Belle and Charlie Peterson served a fancy family dinner.

Some of the out of town weekenders included the Richard Hagens, Le E. F. Eshelmens, the Dan Sellens, Doris and Baldwin Wilday, Rene J. Tricon, the Camille Fraerings, Emmy and Eddie Montgopery, the Frank Rosatos, the Leo Pedarres, the Chorles Uptons, Dimega and Haspell Swayze, Marian and John (I can never remember their last name - shame on mei) the Hencians of Beach Blvd., the B. Waltmans, and on and on and on. . .

### Fishing

The sea wall was lined almost solidly with anglers all weekend. . . BUT we didn't see one fish being caught. . . Gerald Kennedy and William Briant took off bright and early Monday a.m. but the wind just wasn't right. . . they returned with very few of our finny friends.

Mr. and Mrs. James Barlow and two sons of Natchez spent the weekend in the area and from what we hear Mr. Barlow has lost some of his enthusiasm for crabbing. . He and Joe Cure of the Bayou Ceddy Fishing Camp were picked up by Coast Guard helicopter about 12 miles out Saturday a.m. after spending a hungry, damp and chilly Friday night on a send bar. They had left the bayou about 2 p.m. Friwhen their motor conked out just about the time the strong North wind began to bowll

Mrs. Genevieve Byers, Mrs. F. Bradley and Mirs. J. Himel were guests lost Wednesday of Guenard. Joining the group for luncheon were Mesdames Salvant and Edward Guenard.

Dorothy Guffy and her infant son, Barbara White and Katherine Shalton busily selling cakes for the Waveland Methodist Church; Herb Baron just being his usual happy self, ungrammaticaly, but Mrs. Thomas Stone doing a bit of after Easter shopping and Eddie Carrere in a checkered sport coat, complete with matching cap, very much the country gentleman. . . off the ovenue, but on the subject. . . certainly missed seeing Eddie's sister, Louise (Mrs. William Reiss of Sheboygan, Wis., on her recent visit.

Hubbard said the money was used from the health and sick fund and for building purposes, the county health center and the penalty was unjust. Frierson charged that the building was unnecessary, that the old hospital could

have been used. A request to sublease acreage leased from the county for 25 years was not approved, members ogreeing they had no power to ratify such action.

During a discussion of the depleated condition of the general county fund Hubbard said that if a loan of \$27,000 from the seawall fund was repaid there would only be about \$1,000 left to run the Courthouse about six months after last month's bill of some \$14,000 was paid, which amount included cost of Circuit Court. Clerk Ledner said his only responsibility was to keep the

board informed of the condition of the fund and it was not "his" fund as sometimes referred to. He said it would receive money from other sources before the end of the fiscal year and the majority namhers deferred repayment of the loan referred to by Hubbard.

The Lakewood Station Wagon earns its keep with a solid 68 cubic feet of cargo space, 10 of it under that lockable hood. And the Monza Club Coupe, with its bucket-type front seats, lets you in on some

ultra-comfortable driving. And they both handle and brake and perform beautifully. (Proof of the pudding is the way the '61 Corvair manhandled the recent Canadian Winter Rally, winning outright and taking the first five places in its class in this rugged 1 265-mile test.)
